## A Message from our President

My message this month is short:

I have a pre-existing condition, my wife has a pre-existing condition. Without the ACA (ObamaCare) neither of us would be able to do our jobs, or live our lives. There are problems with the program, but they need fixes, not repeal and replacement.

The Republican healthcare proposal is not just unfair, it is dangerous. It puts the lives and the health of millions of Americans at risk. It is theft wrt large stealing from the poor, the sick, the elderly and givign huge tax breaks to the wealthy.

Contact Your Senators and House Members and tell them not to put millions of Americans at risk:
