A Message from our President

Fellow Democrats.

As we begin a new year, there is much to be done and much more to be concerned about. We have a president who clearly doesn't have the temperament for the job. And a congress without a backbone. It is time for everyone to become engaged in the political process

With her announcement that she is running for Jeff Flake's senate seat, Martha McSally has created a wide-open race for Congressional District 2. Except for Attorney General, every state-wide and federal office has a Democratic primary. And I don't believe that we have heard the end of the inappropriate behavior resignations yet. We have an extraordinary opportunity to turn Arizona blue!

We at the Democrats of Greater Tucson are committed to providing voters with meaningful information in a timely manner so their vote comes from knowledge rather than political ideology. We strive to give every candidate that chooses, the opportunity to speak to our group. We also invite speakers on topics of interest to all Arizonans.

We invite you to join us as we continue to work to elect Democrats to public office!
